July Sale of Furniture!

CAN'T EXPECT THESE PRICES LATER ON

The booming of cannons and other noises that accompany the early days of July are things we look for, but news like this is entirely out of the ordinary. And extraordinary, too, are the prices which we quote that hover around the cost mark. Considering that July is not a usual sales month this news is the more sensational.

Here Are a Few Bargains!

Large Flat Arm Rattan Rockers, \$1.75
Other Rockers, \$2.25, \$2.50 and \$3.25.
Reed Rockers, \$4.95.
Other Rockers, \$6.00, \$8.50, \$10.50 and \$12.00.
Fine Box Spring Seat Polished Oak Rockers, a great value at \$5.00.
Porch Shades in Bamboo, six feet square, \$1.00.
Porch Shades in Bamboo, eight feet by six feet, \$1.25.

We have just received and placed on sale a carload more of those famous **Eleven-Piece Oak Chamber Suits** at \$25.00 and \$30.00 complete.

The above values have never been equaled in this vicinity, nor can they ever be. This fact has been demonstrated to our customers many and many a time. It takes experience in buying, money, carload quantities and storage to do the trick. Look the above values over and be convinced.

Floor Coverings!

Rug-selling is a feature with us. Give us a chance to sell you Rugs, Carpets or Matting and you will learn what hundreds of others already know, namely, that for quality and low prices this store is in a class apart from all others. We show partiality to none, having but one scale of prices for all.

Austrian Female Prisoners.
The management of the Austrian female prisoners is in the hands of female religious orders.

Potted Oatmeal.
Put two cups of oatmeal in a medium sized bean pot and add one quart of slightly salted water, cover closely and bake all day in a moderate oven, looking at it occasionally to see if more water is necessary. Heat it next morning and serve with cream or milk and sugar.

Poisoned Arrows.
The poisoned arrows in use among some native tribes of the upper Amazon derive their venom from having been dipped in the poison sacks of venomous serpents.

Watches and Locomotives.
The accuracy of good parts of the locomotive is ten times finer than in the watch, but for absolute measurement the accuracy in the watch is almost three times as fine as in the locomotive.

The Grasshopper.
The grasshopper mentioned in the book of Ecclesiastes is believed by some commentators to be a species of cicada exceedingly troublesome to nervous persons on account of its shrill cry, or song. "The grasshopper shall be a burden," therefore to elderly people on account of the annoyance made by its shrill and not, as commonly supposed, because of its weight.

Iron.
It is said that iron is the only metal which appears in a variety of colors and is found in every shade from black as charcoal to nearly a silvery white.

At the City Bakery!

Do not be surprised to see Cakes here so tempting that you marvel why anybody should bother with home baking. That is an ordinary occurrence here. Many a woman has found out that our Cakes are better than hers. We don't care how careful and particular you are, we are just as much if not more so, and we are baking all the time. If experience and practice count for anything, why shouldn't we bake better than you?
